

2018 SPRING SESSION

Directed by Anne Louise White

Beginning and advanced singers are invited to join in this community and experience the joy of harmony singing – **music reading is not a prerequisite.**

The Leverett Community Chorus repertoire is drawn from a variety of cultures and musical styles. Even people who think they “can’t carry a tune in a bucket” find themselves part of a glorious choir in no time.

Sheet music and recorded voice parts will be available online for free. A CD recording of voice parts can be purchased at rehearsals for \$10. A printed copy of the music can also be purchased for \$10.

Please indicate on the registration form below if you are wanting to purchase these rather than download them.
